Activities for children and young people

Inclusion rating

This year each of our activities will have a coloured rating of what level of support they can provide for their participants. If you/your young person needs additional support, please use the guide below to better identify what level of support activities can provide. If unsure, please contact the provider for more information.

Key: Inclusion

- **Blue rating:** Sessions are open to all, and we can support individuals needing some additional assistance and adapt the activity accordingly, while expecting independent participation for most of the activity.
- **Green rating:** Session are open to all, and we can provide support to individuals with higher levels of need, although one-to-one support is not available. We strive to make reasonable accommodations to foster inclusivity.
- **Yellow rating:** The activity is designed to offer tailored support to individuals with high levels of need.

Summer 2025 – Haringey's Summer of Fun

Now in its eighth edition, our fantastic Summer Holiday Activities programme allows children and young people to get active, connect and socialise.

It's fundamentally important for our young people that they're able to get out and about this summer as it helps promote and support their physical and mental health, as well as their overall wellbeing.

There's another packed schedule of activities and events across our leisure centres and parks this year.

The best bit about it all too is that a large number of sessions are completely FREE.

We know just how popular the playgrounds in our parks are among children of all ages and abilities and their families in Haringey.

We've invested heavily to maintain these green, open spaces over recent years and are set to spend more than £8.5m across the borough in 2025/26 to ensure they're welcoming and increase the wellbeing of residents.

This investment includes £1.5m to improve amenities and facilities in eight parks across Tottenham and Wood Green.

The ever-popular 'Kids for a Quid' /£1 swim is back at our leisure centres at Park Road* (*excluding the Lido) and Tottenham Green.

With this being the fifth year of additional activities provided through

the government's Holiday Activities and Food (HAF) programme too, this summer could well prove to be one of our best, biggest and most accessible and inclusive programmes yet.

Providing free activities and nutritious meals to children and young people aged five to 16 who are eligible for Free School Meals (FSMs), we're very proud of our HAF programme and the fantastic impact it's had – and is having – on our community.

Haringey will have more than enough to offer this summer to ensure our children and young people can enjoy themselves and thrive.

You will find all the details in this guide, including dates, locations and times, as well as information on how to book where necessary and whether any fee applies.

Additional activities and events can also be found online at: www.haringey.gov.uk/holiday-fun

Have a great summer and don't forget to share your highlights with us on social media by tagging our account handle (@haringeycouncil) in your Facebook posts and tweets!

Cllr Emily Arkell

Cabinet Member for Culture and Leisure

Cllr Zena Brabazon

Cabinet Member for Children, Schools and Families

HARINGEY HOLIDAY ACTIVITY AND FOOD (HAF) PROGRAMME

Haringey is offering a range of HAF clubs over the summer holidays.

All HAF clubs are completely free for young people who are eligible for benefits based free school meals during the holidays.

Clubs will be run by locally trusted organisations, offering a range of physical and enrichment activities and a tasty nutritious lunch for children across Haringey.

Ensuring they have a fun and active summer holiday.

To book a place or for more information visit:

www.haringey.gov.uk/haf

Alternatively, you can contact:

HAFProgramme @haringey.gov.uk

Beat the heat this summer

Weather in Haringey is getting hotter each year – Haringey Council is here to help you. Here's how you can beat the heat:

Stay hydrated by drinking plenty of fluids, and limit caffeine and alcohol

When possible, stay out of the sun between 11am-3pm

If you do go outside, cover up with suitable clothing such as an appropriate hat and sunglasses, seek shade, and apply sunscreen

Check in with neighbours, and look out for friends and family throughout the warmer months

Head over to our website for more tips, and information about local Cool Spaces in the borough where you can head for help.

www.haringey.gov.uk/beattheheat

scan me
for more

Haringey
LONDON

Close blinds or curtains on windows when they are exposed to direct sunlight during the day

Move to a cooler part of the house, especially for sleeping

Open windows when the air feels cooler outside than inside, for example in the morning and at night after the sun goes down

Get fresh air flowing through your home by opening doors and windows on the cooler side of the house when you can

Use an electric fan if the air temperature is below 35°C, but don't aim fan directly at your body as this can cause dehydration

Check that any heating is turned off and turn off lights and electrical equipment that are not in use

Go outside if it is cooler outside in the shade

If you can, use your boiler on a lower temperature for part of the day, as hot water storage can cause your home to heat up

If you are concerned about someone who is vulnerable during a period of hot weather please contact: connectedcommunities@haringey.gov.uk

If you would like to see this information in a different language, visit: www.haringey.gov.uk/BeatTheHeat
